Offer to the staff an RO Filter Water for the kitchen, and the children.

The 14th of November 2018 for the Children's Day

With our NGO Voice Of Universal Education Society and our Foundation SYLPHI FOUNDATION, we will return to two schools, these are 3 Km around CHIRWA.

1 Government Upper Primary School to MARUWAS 11:00 am to give new RO Filters for their kitchen

2 Angar Wadi to MARUWAS 11:30 am to give gifts, toys and colours pens, colours books and biscuits.

25th October 2018

Mrs Anita DOSHI is the headmistress of this school of 150 children. Class 1 to 8; lost in the mountain.

We were very happy to visit this school on the 25th of October 2018. The children were open to our discussion; they tried to speak English and get to know us. This meeting was very positive on both sides.

For Children's Day, the 14th of November 2018, we have decided to return to this school to offer the staff an **RO Filter Water 12 litre** for the kitchen and do some activities with them.

We wait for this moment with impatience.

Mr Om Prakash is responsible for the MDM program ([Mid Day Meal](#)). He comes 4 times a month.
