We went back to this school this time to dress from head to toe for most students.

The cast started with knitwear, jackets, shirts, t-shirts, pants, socks and shoes all in all sizes.

All these little pupils stayed calm waiting for their turn to receive the clothes.

We have a large bag of school supplies for the principal late in the morning before leaving.

We went to the Mohanpura school and Balivary to Chirwa.

There are 15 children in the Balivary and 42 students in the school with classes from 1 to 5.

The Director Ms Kanta MENARIA received us warmly.
